Your unique Wedding

Congratulations on your pending nuptials and thank you so much for considering Meadowood for your big day.

We're the only venue in Hawke's Bay with a tipi marquee included in our offering, allowing you to create a unique wedding from a natural and beautiful backdrop.

Meadowood boasts an authentic Art Deco house from which you can get married; it is a beautiful serene property that can lend itself to any style of wedding: classic, bohemian, country ... and perfect for capturing your special wedding memories.

We offer boutique accommodation for 18 guests sharing. Meadowood House sleeps 8 guests, and Glamping in the Trees sleeps 10 guests.

Meadowood House

Three double rooms and one twin room, two rooms have ensuites, plus the main bathroom. Two guest lounges, and an open plan self-contained kitchen with indoor and outdoor dining areas complete the house.

We are very fortunate with the stunning mature gardens at Meadowood, and you and your guests can sit out and enjoy these gardens with your coffee or glass of wine as you wish. We also have our Speakeasy bar with a movie screen, for young and old to enjoy!

Glamping in the Trees

Four dome tents, each located in a private setting among mature trees and twittering birdlife. The tents are tastefully furnished and include a double or queen bed, sleeping 10 in total. There is a shared amenity block with toilets and a delightful shower in the trees.

Guests of the house and glamping, also have use of our bath under the stars, can fire up the BBQ or simply relax in front of the fire pit with a wine or bubbles... you simply won't want to leave!

Next steps

We are very happy to answer your questions and help in whatever way we can, to make your stay at Meadowood House as enjoyable and relaxing possible, and of course, to ensure you have a wonderful wedding weekend.

Please visit our website to see some of the wonderful amenities that we are so proud to offer. We would also be delighted to personally show you around the house and property, to talk to you about our wedding experience at Meadowood and about how you can create your own unique wedding from a stunning natural canvas.

Please drop me an email or give me a call to arrange a visit, and thank you again for considering Meadowood for your very special day.

Happy Wedding Planning!

The Essentials

Accommodation

Two-night rental of Meadowood House and the Glamping in the Trees. This is a minimum requirement and is included in the standard package.

Alcohol

We have consent for weddings and events. You will only require an additional alcohol licence if you are running a pay bar.

Catering

Please refer to our list of preferred suppliers for catering options. The kitchen in Meadowood House cannot be used for any catering due to size and power limits. Please note you and/or your caterer are responsible for removing all catering refuse from the property after the event.

Council Requirements & Noise Limits

The Council requires music to stop at 11.30pm and all non-accommodation guests to have vacated the property by 12.00am. We are subject to fines if this is not adhered to and we will have to on-charge these if applied by the Council.

Deposit & Cancellation

10% on booking, 40% three months in advance, with the balance due the week of the event. In the unfortunate event of a cancellation within three months of the event, you will forfeit the 50% deposit, we reserve the right to invoice for the full amount should your event be cancelled within one month of the date, unless we can fill the gap with another event. A bond is required to cover any damages caused to the property over the course of your event.

Facilities

Our package includes a luxury mobile amenity block. Meadowood House cannot be used in any circumstances for toilet facilities or catering, other than by the guests staying at the house.

Parking

We have ample parking facilities on site.

Power

We run power to the tipi. Depending on your power requirements (large band for example), you may need to hire an additional generator. Your caterer must supply their own power if they are bringing catering ovens.
